SPCA pets love their family concerts!

Charlottesville, Virginia: Sunday, April 13th from 3pm – 5pm the Charlottesville-Albemarle SPCA will have an adoption event down at the Charlottesville Pavilion in conjunction with the Virginia Discovery Museum's Benefit Concert. Come visit our family friendly pets and enjoy some great family entertainment performed by "Two of Kind."

"The Virginia Discovery Museum is very excited to have the Charlottesville-Albemarle SPCA join us for a fun afternoon of family entertainment. We are happy to partner with other nonprofits to reach so many members of our community," says Peppy G. Linden, Executive Director of the Virginia Discovery Museum. The concert will open with traditional dances performed by the Monacan Indian Youth Dance Group in customary Monacan Indian clothing. This group is composed of boys and girls from the Monacan Nation who are very proud of their Native American culture. Following the opening act "Two of a Kind" will perform interactive songs that are fun for kids of all ages. They will be unveiling a special song honoring Thomas Jefferson, written specifically for this concert. In addition, the SPCA will be out with their finest dancing to the music. Come by and visit them - who knows, you may find that extra special someone for your family!

The Charlottesville-Albemarle SPCA is a nonprofit animal welfare organization that provides a safe environment for the lost, abandoned, and homeless animals of Charlottesville and Albemarle County, and places them in good homes. We strive to set a standard of excellence and leadership in animal care, humane education, and progressive animal welfare programs.
