Charlottesville-Albemarle SPCA Crafts for Critters Show: Saturday, May 8

Charlottesville, Virginia: A host of local artisans and crafters are getting creative and coming together to display and sell their wares in support of the animals at the Charlottesville-Albemarle SPCA this Saturday, May 8th, at the Crafts for Critters Show from 10-4. This is an event for the whole family taking place right across the street from the SPCA's main facility, in the parking lot of Signature Medical Spa at 3350 Berkmar Drive. In addition to plenty of locally made arts and crafts to peruse, look for the big orange Dino Bounce for the kids. Thanks to the work of local SPCA community partners Heather Gerry, Jade Butterfly, Almost Like Home, and SpaceWalk of Charlottesville, this will be a great way to enjoy a beautiful afternoon.

As SPCA Executive Director noted, "You can find the perfect Mother's Day gift at the Crafts for Critters Show, then just walk across the street to visit the animals at the SPCA in one simple trip. We know that our community appreciates the chance to patronize local artists and businesses, and we are grateful to all of the artists and our community business partners for making the Crafts for Critters Show such a special day."

The mission of the Charlottesville-Albemarle SPCA is to provide a safe and nurturing environment for the lost, abandoned, and homeless animals of the City of Charlottesville and the County of Albemarle and to increase the number of these animals being placed in appropriate, loving, and permanent homes through adoptions, foster care, and outreach, and to set a standard of excellence and leadership in shelter animal care, humane education, and progressive animal welfare programs.
