

FOR IMMEDIATE RELEASE

NEW SCHUYLER FISK SINGLE TO BENEFIT CASPCA

**“Love Somebody” will be available exclusively on iTunes
Friday, January 8, 2010**

(New York, NY) – After taking American and Japanese audiences by storm with her debut album *The Good Stuff*, which debuted at #1 in iTunes Singer/Songwriter chart and appeared on Billboard’s Heatseekers chart, Schuyler Fisk will be releasing a brand new single exclusively on iTunes this Friday, January 8, 2010. While “Love Somebody” has been airing on regional SPCA commercials, audiences nationwide will be able to own the song with all proceeds to benefit the Charlottesville-Albemarle SPCA, www.caspc.org.

With her vibrant voice and honest songwriting, Schuyler Fisk draws legions of fans to her music, both onstage and online, where she enjoys an active grassroots following as one of the top indie artists on MySpace. Her anticipated debut album *The Good Stuff* is currently available on iTunes, Amazon, and in other music stores. Schuyler has performed with artists including Sheryl Crow, Rachael Yamagata, Cary Brothers, Priscilla Ahn, The Weepies, and Ben Taylor. She has also played across North America with the Hotel Cafe tour, with fellow singer-songwriter, friend and collaborator, Joshua Radin, and most recently completed a tour of Japan in support of the Japanese release of *The Good Stuff*.

Schuyler's pure sound and soulful lyrics have grabbed the attention of movie producers. She wrote and performed original music for the soundtrack to Zach Braff's film "The Last Kiss;" she was sought out by producer Reese Witherspoon to write and perform a song for the soundtrack of the film "Penelope;" and continues to contribute songs to many other film and television projects. An artist who is multi-talented, energetic, and versatile, Schuyler has appeared in several feature films including *Orange County* and *I'm Reed Fish*. She recently finished filming a role in Gus Van Sant's next feature, which is currently untitled. For more information please visit www.schuylerfisk.com.
