Local Business Helps SPCA Complete Floor Renovations by Serving as Adoption Location for 15 Lucky Dogs.

Charlottesville, Virginia: While the Charlottesville-Albemarle SPCA resurfaces some floors in its dog adoption areas, fifteen lucky dogs are awaiting adoption and enjoying a stay at Pampered Pets of Charlottesville. SPCA Executive Director Susanne Kogut explains, “Pampered Pets is always willing to help the SPCA and the animals out. We are so fortunate that they have stepped up once again while we complete the final stages of our much needed floor replacement project. Ultimately, our goal is to adopt these dogs to homes directly from Pampered Pets before this project is completed.”

Pampered Pets owner Jim Brown welcomes the public to visit Pampered Pets during business hours, noting, “We are absolutely thrilled to be hosting these dogs for the SPCA. From the young, energetic Pit Bull Stella to the dynamic Hound duo Thelma and Louise, these dogs will make a fantastic family pet. Please visit Pampered Pets, and we’ll be happy to help match you with your new best friend.” To sweeten the deal, Pampered Pets and the SPCA have teamed up to offer a free grooming visit with the adoption of any of these special dogs and a special \$10 adoption fee. What a deal!

Visit Pampered Pets at 601 Concord Avenue in Charlottesville or call 434-293-PETS (7387). Business Hours are Monday - Friday: 7:30am - 5:30pm, Saturday - 8:00am - 4:00pm and Sunday - 9:00am - 4:00pm.

All adoptions include: spay/neuter, age appropriate vaccinations, de-worming, heartworm testing, a free medical exam from participating vets, ID tag, and a free behavior CD to help with your new pet and a lifetime of love and companionship.

The mission of the Charlottesville-Albemarle SPCA is to provide a safe and nurturing environment for the lost, abandoned, and homeless animals of the City of Charlottesville and the County of Albemarle and to increase the number of these animals being placed in appropriate, loving, and permanent homes through adoptions, foster care, and outreach, and to set a standard of excellence and leadership in shelter animal care, humane education, and progressive animal welfare programs.
